Dear "Sunny-side up" Johnny,

Billy and Mandy have been on a roll lately. And so was the egg. "Double Neggative" with Billy, Mandy, and Grim in BLOCK PARTY issue #51 (why would "Death" be assigned to PROTECT something?) turned in a very funny story with the "cosmic egg." For once it was Mandy who made the goof-ups and not Billy.

By the way, Cyclopes make very poor egg-handlers. Their hands are too big. Well, as Vincent Price once said on a certain TV show, "I am EGGS-austed!"

See you next issue. If there IS a next issue!

Charles D. Brown
Brentwood, New York

Hey, Charles – who told you about next issue?!? Oh – you were talking about Mandy breaking the cosmic egg. Well, when Mandy starts acting stupider than Billy, maybe it IS the end of the world!

Hey Randy, I usually love your kind of letter, where a fan says what he likes and gives a suggestion, but...but.... There is only going to be one more issue of CARTOON NETWORK BLOCK PARTY after this one. So there won't be any more ED, EDD N EDDY stories. Argg!
